

Freon™ M099™ (R-438A) and Freon™ NU-22B™ (R-422B) Refrigerants

Advance and Enhance with Freon™ M099™ or Freon™ NU-22B™!

The two best-selling, no oil change R-22 retrofit refrigerants

Field proven for 10+ years with thousands of successful retrofits globally

Cools as effectively as R-22 in most systems

Helps save time and money by minimizing labor and component changes

For residential AC systems and applications where oil change is inconvenient and/or complex
