Freon™ MO99™ (R-438A) and Freon™ NU-22B™ (R-422B)

Refrigerants

Advance and Enhance with Freon™ MO99™ or Freon™ NU-22B™!

- The two best-selling, no oil change R-22 retrofit refrigerants
- Field proven for 10+ years with thousands of successful retrofits globally
- Cools as effectively as R-22 in most systems
- Helps save time and money by minimizing labor and component changes
- For residential AC systems and applications where oil change is inconvenient and/or complex
